Our Mission: Rescuing Victims | Reuniting Families | Education & Awareness

Dear F.A.C.T. Readers,

It is with great honor and pride that I can recommend Miss. Janette Allen to continue F.A.C.T.'s work on behalf of all victims of exploitation and abuses by various groups and cults.

Janette has personal experience and inside knowledge on how cult leaders and sociopathic personalities operate. How they manipulate and take advantage of the vulnerable and naïve.

I believe Janette will be a great consultant and advisor to victims and their families on all related matters associated with cultic and trafficking abuses. Janette has worked with F.A.C.T. for over 5 years and has worked directly with thousands of survivors and or family members in their struggle to navigate through, sometimes very delicate and complicated situations.

I have no doubt Janette will continue to have a tremendous impact in helping families and survivors. I wish Janette the best of luck on her new endeavor and also to the many families and survivors who are looking for help and advice in coming to terms and solutions with their specific situations.

Sincerely,

Tibor Stern
